**Key:**

Dropped Race	Championship Eligible Driver	Disqualified Points
Per NASA FL Region CCR, section 13: When the class minimum (2) is not met, the competitor in a single racer class will only get 50 points in class as opposed to the full 100 if they raced against another competitor. There will be 15% dropped races allowed over the course of the season; 2 for the 2014 season. If you are on suspension or receive a DQ, you cannot drop those races.		
To be eligible for the Class Championship, each driver must have participated in half of this season's events (50%).
